Location

TO: Bill Yarnell
Division Engineer, Design

CC:

FROM: Ron Haden
District Engineer

DATE: February 25, 1998

SUBJECT: District 5, Design
Route 63, Boone County
0.256 miles S/O Route 22 to 0.535 miles N/O Route 124 South Junction
Job No. J5P0418B
Right of Way Approval
Condemnation Required

On February 25, 1998, I approved the right of way plans for the above mentioned project with the description as follows:

CONTROLLED ACCESS
ROUTE 63, BOONE COUNTY
JOB NO. J5P0418B

Grading, partial paving of outer roads, drainage and triple box culvert extension in Grindstone Branch on the above noted state road from 0.256 miles S/O Route 22 to 0.535 miles N/O Route 124 South Junction, Station 1437+58.79 to Station 1854+59.35. The total length being 7.898 miles.

Approved on: 2/25/98 by Ron Haden, District Engineer.

Design Approval by commission on: 6/4/97

Please forward three (3) certifications to this office for proper filing with the county and city clerks and circuit court of Boone County. One set of signed and sealed plans are enclosed for your files.

If you have any questions, please contact Jim Smith, Project Manager at 751-7688.
